Dear Honorable Rebecca B. Connelly,

I am writing to you today in reference to Case # 20-60860-RBC, Service Dogs By Warren Retrievers, Inc and The Global Resolution Motions that will be before you on June 3, 2021. I object to "The Marianne Settlement Motion". From listening to the bankruptcy hearings last year, I believe Marianne Warren was complicit in the acts of Charles D. Warren and furthered his actions by holding his money, essentially giving him an allowance dubbed as loans, and should not be awarded any sale proceeds, but especially not 38% of sale proceeds of the property. There are dozens of families that paid money to SDWR that (1) did not receive a dog as SDWR was contractually obligated to do if they fully fundraised the proper amount, (2) received a dog from SDWR that was not trained to perform and act as a service dog, as they were contractually obligated to do if they fundraised in full, and (3) did receive a service dog but did not receive the training and lifetime health guarantee as SDWR was contractually obligated to provide.

For the reasons above, I believe that Marianne Warren should not be permitted to have any of the proceeds of the sale property. I feel very strongly that if Marianne Warren receives 38% of the sale of the property, that it will end up right back with Charles D. Warren. I believe that if the courts and Your Honor look at the history of their relationship that this is a strong possibility.

Thank you for taking the time to read my letter.

Sincerely
Michelle Collis
